"It is our great pleasure that we have reached an agreement with the management of Marfin Bank and reprogrammed our debt. We are especially glad that Marfin Bank has shown interest to become a sponsor of BC Partizan mt:s. That cooperation will, among other sponsorship elements, bring another novelty. It is a co-branded card which will be issued and put into effect in the following period. All our fans will have a unique opportunity to become holders of a VISA card with the Partizan emblem and in that way they will also help the Club" announced the managing director of the Club. „It is our honor that such a big company as Marfin Bank will be a part of the sponsorship pool of our Club. This way Partizan mt:s is gaining yet another partner with whom it will become even firmer and stronger" added Mr Šilobad.

Mr Andres Moyseos has pointed out the importance of this agreement and said that he is pleased that Marfin Bank continues to support the high level sports by joining the winning team:

"As part of the International banking Group, Marfin Bank shares Marfin Popular Group's strategic commitment to support sports in general and especially high-level sports competitions and teams such as BC Partizan mt:s. As a Group and as Serbia based Marfin Bank, we are proud to have been supporting the sporting world for many years now, and today's signing of this agreement is an important continuation of this strategy.

As a Bank we greatly value good communication and we make it one of our core principles in doing business. This partnership between Partizan mt:s and Marfin Bank is the result of excellent communication and good will between the two parties, and we would like to thank the management of the Club for their efforts and commitment to reach this agreement", Mr Moyseos continued.

We are pleased to announce that the good relations between Partizan mt:s and Marfin Bank will lead us both towards a mutually beneficial cooperation in several areas, such as reprogramming of the debt, and marketing and promotional activities within the sponsorship agreement. We consider this to be the beginning of a true partnership between our two brands for a number of years to come. In that respect, Partizan mt:s and Marfin Bank plan to issue a co-branded payment card in the forthcoming period which, apart from being a very competitive banking product, will also provide its holders with substantial benefits. Besides the benefits the holders will enjoy, this new innovative card will also provide direct financial benefits to Partizan mt:s. By using this card, each cardholder will actually stream income to his/her favorite club, Partizan mt:s", Deputy President of Marfin Bank Executive Board concluded.

Basketball players of Partizan mt:s will already be wearing sweatshirts and tracksuits bearing the logo of Marfin Bank starting from the match of the 18<sup>th</sup> round of the NLB league.
